- ==== Mission Trails

Mission Trails is a designated route between the five San Antonio missions, identifiable by green candy cane light poles and brick edge paving, designed to serve a multi-modal range of users to include bicycles, pedestrians, and personal vehicles.

## ● Mission to River Portal

**----- River Walk Trail**  
 River Walk Trail is a community investment to revitalize the river through eco-system restoration, flood control, multi-use trails and recreational opportunities. Mission Reach is the 8-mile segment connecting to the missions. For additional information and up to date trail closures visit: [www.sanantonioriver.org](http://www.sanantonioriver.org)

## ● B-cycle Bike Share Station

B-cycle is San Antonio's municipal bike sharing system that provides alternative transportation downtown and along the Mission Reach. Information on affordable rates and more at: [www.sanantonio.bcycle.com](http://www.sanantonio.bcycle.com)
